Notice of Annual General Meeting & Agenda

BURLEIGH HEADS MOWBRAY PARK
SURF LIFE SAVING CLUB INC.

TO ALL MEMBERS

NOTICE OF ANNUAL GENERAL MEETING & NOMINATIONS FOR OFFICE 2026-2027 SEASON

Nominations are now called for Burleigh Heads Mowbray Park Surf Life Saving Club Directors/Officers and Committees for the 2026-2027 Season to be elected/appointed at the Annual General Meeting to be held at BHMP SLSC Activities Room Level 3 on Sunday 21st June, 2026 commencing at 9:00am.

Nominations are now called for the following in accordance with the requirements of the BHMP SLSC Constitution and By-Laws. A copy of the BHMP SLSC Constitution and By-Laws are available on the Team App.

Nominations must be in writing on the attached nomination form, signed by the Proposer and Seconder, and bearing the signature of the Nominee indicating his/her willingness to take up the position of which he/she is nominated. Nominee, Proposer and Seconder must all be financial members for the 2026-2027 season.

Such nominations are required to be submitted on the attached form to the Director of Administration and Planning BHMP SLSC by 5:00pm on Friday 5th June, 2026. (nominations can be emailed to secretary@burleighslsc.com.au)

Interested persons should carefully read and understand the selection criteria and obligations associated with the positions to confirm his/her eligibility and capacity to fulfil the role.

Please note - membership fees must be paid prior to 4.00pm Friday 19th June, 2026.

.....

Rachael Bugeja
Director of Administration and Planning

MAIN OBJECTIVES OF BURLEIGH HEADS MOWBRAY PARK SLSC

The Club is established solely for these objects which include the main benevolent purpose of relieving distress in the community by advancing the security and safety of the public through lifesaving activities and for the ancillary and/or incidental purposes to that main purpose which, as a charitable organisation, are to;

a) conduct, encourage, promote and administer surf lifesaving and the Club as a beneficial, volunteer, member-based, community service, charity and emergency service and for the safety and protection of the community in Burleigh and elsewhere;

b) at all times promote mutual trust and confidence within the Club in pursuit of these Objects;

c) promote the economic, community and emergency service success, strength and stability of the Club;

d) establish, grant and support awards in honourable public recognition of meritorious rescues from the sea, deeds of exceptional bravery from time to time performed in the course of promoting the health, safety and protection of the public;

Club Sponsors

We would like to recognise the generous support of our sponsors and Club supporters. We could not provide the high level of life saving activities on Burleigh Beach without them and we thank them for their continued support. We ask that Club members in return support them wherever possible to show your appreciation.

Our Committees and their Roles

Management Committee

The role of the Management Committee is to manage the operational affairs of the Club. Its primary responsibility is to discuss and implement Club policies. Major issues are referred to the General Meeting for consideration by Club members where appropriate. During the 2024-2025 Season the Management Committee met as required. Meetings dealt with all matters arising from correspondence and reports from Committee members. Recommendations from Sub-Committees are also considered.

Board, Ski & Beach Committee

The role of the Board, Ski & Beach Committee (BSB) is to ensure that competitors are offered expert coaching and training. Its goal is to build our Club into the strongest competition Club in Australia. The BSB meets as required to discuss all aspects of competition including training and equipment. Recommendations are then submitted to the Management Committee for approval. The Management Committee depends upon the advice of the BSB for direction on competition issues. It is also a good forum for competitors to have input into the Club's policies on competition.

Junior Activities Committee

The Junior Activities Committee is responsible for organising activities and training for all junior activity (Nipper) members of the Club. Its purpose is to foster and develop the life saving and surf skills of our young members ranging in age from 5 through to 13. This in turn provides a flow-on to the senior ranks and provides well-trained and qualified lifesavers to patrol Burleigh Heads beach in the years to come.

Constitution Committee

The Constitution Committee is responsible for the amendments and alterations to the Club's Constitution and this year we have operated under the new Constitution. This Constitution incorporated current life saving practices based on the requirements of our Club and the SLSQ model. In future, the document will be reviewed to ensure its practicability. The By-Laws are currently being revised.

Building & Planning Committee

The Building & Planning Committee is responsible for the re-development of the Club, ensuring that members have first-class facilities available to them. The current year saw the Building Committee continue with ideas for future development of Stage 6 and refurbishment of the Club house.

Life Members & Honours Committee

The Life Members & Honours Committee is responsible for consideration of members that fit the criteria for life membership and as such consider prospective nominees based upon their years of long and conspicuous service to the Club.

Judiciary Committee

The Judiciary Committee is responsible for dealing with all Members grievances and resolving them in the best way moving forward.

President's Report

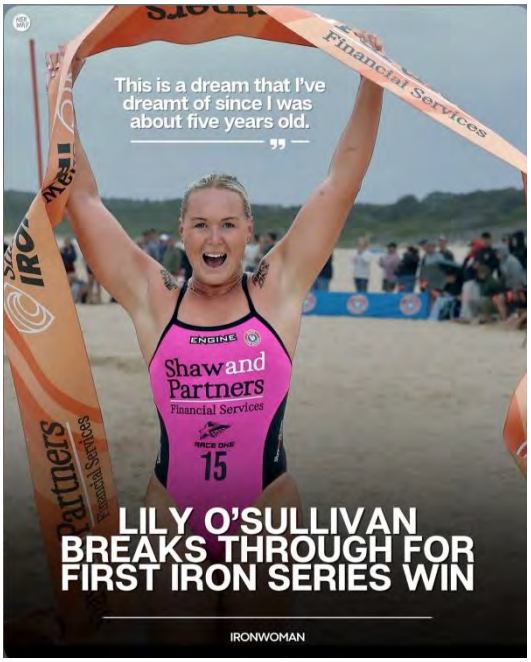
Another financial year has come and gone and what a year it has been. So much activity happening at our Club. It's definitely not a quiet place and there always is a project on the go.

Once again, a fatality free season and this can't happen without all our patrolling members looking over Burleigh Beach and the community.
I would like to thank all the Members that patrolled and another great job done by our Patrol Captains and Vice Captains. A great effort from Club Captain Justin Payne to ensure the smooth running of our patrols and that Burleigh Beach was always adequately resourced. It's always pleasing to know that members will contribute and patrol when necessary.

To my Vice president Marto thanks again for another great year. I always look forward to those debriefs when we nut out what has to be done at the Club with issues and I know that you will always address them and provide a solution.

To our Club Treasurer Kristina your tasks are never ending and this year with our redevelopment and building program. There were so many more checks and balances and payments to be made as we spent over $3 million in stage 6 and refurbishing many areas of the Club> You meticulously attended to requirements and provided reports and spreadsheets when required. Our finances are in great shape and I thank you for your continued support, not only with them, but with every other area that you assist and every other section of the Club where you are involved.

To our Club secretary Rachael once again another busy year. I cannot believe the level of compliance that we are moving towards, so it is comforting to know that you continue to attend to all those projects that I send your way. In addition, the redevelopment for stage 6 and the Development Approval to enable the construction of a basement have reached new heights. Never before have we had the requirements that the Council place upon us to obtain an approval. The processes and the reports from the Consultants are never-ending but with your assistance we are able to progress and obtain approvals for the benefit of the Club. Thank you for your patience in dealing with this and of course, me.



Our Nippers once again had a great season and on Sundays it's very pleasing to see so many happy kids. Thank you to all the Nipper Executive, Age Group Leaders and helpers. We now have fantastic coaches in Nippers with Ben, Brielle and Sam and in addition to this Rusty came on board to help out with sprint and flags.

In the competition area for our seniors, how far can we go? It was an incredible season and all the competitors that represented Burleigh can be truly proud of themselves. Thank you to our Head Coach Kingy who with the assistance of all the other coaching personnel ensures that competitors had the best coaching staff available to them.

We have come a long way with competition and we all should be very proud of the results that we have achieved.
To all our other Volunteers thank you for your help throughout the season but especially to Val for doing whatever job I can give her and Dave Roberts for continually rebuilding the Club with all his jobs and maintenance that I continue to request.

To our Boaties you gained a new fleet of boats & equipment so you are now able to take on the challenges ahead of you. We ended up with seven boat crews with some great results in competition and especially at the Australian titles.

The Supporters Club continued to provide financial support for the Surf Club and this year made donations to the building fund of $2,001,350 together with rental on a monthly basis of $33,000 which totalled $366,000 for the year. In addition to this there was countless provision of food and beverages for patrols and Surf Club events which was in excess of $126,000. Thank you to Nick and all the staff at the kiosk, Crabpot, Restaurant and Functions for their support during the year.

Day to remember as teen downs surf idol

Ethan Callaghan and Lily O'Sullivan (bottom) on their way to victory; and (below) a competitor is enveloped in a cone of water during a ski leg at Maroubra yesterday.

Stage 6 of our redevelopment is well underway with the kitchen extension now complete and our Club room on level 4 Southside comprising over 420m2 of Club room, amenities and terrace areas is all but complete. We are proceeding with a further Minor Variation to build an additional Basement of 230sqm which will be linked to our existing Craft Storage Basement. We expect the Approval for this to be obtained in July and construction will commence immediately.

The Club is in a sound financial position with no outstanding debts and this enables all sections of the Club to receive financial support for their activities. Extensive cash reserves are held and our 3 real estate properties have once again increased in value. Our Club will continue to grow and provide state of the art facilities for our Members.

Thank you to all our Members who support the Club in all aspects.

Michael Boyce

Director of Administration & Planning Report

As another great season comes to a close, it's a good time to reflect on the year and acknowledge the efforts of everyone who contributed to the Club.

We again saw strong participation across all areas of the Club, with a great mix of returning members and new faces joining throughout the season. It's fantastic to see continued enthusiasm and involvement from members of all ages.

This season included a number of successful events, highlighted by our annual Ocean Swim at Burleigh. Thank you to all volunteers, officials and participants who helped make our events such a success throughout the season.

The Club has continued to maintain and improve equipment and facilities to ensure a safe and enjoyable environment for all members.

Planning is well underway for the Stage 6B (Basement) Redevelopment which is set to commence in June. This exciting project will create much needed storage for the Club and its members.

Thank you to our committees, coaches, patrolling members, sponsors, volunteers and all members for your continued support and contribution throughout the season.

Wishing everyone a safe and enjoyable break — we look forward to seeing you all again next season.

Rachael Bugeja

Director of Life Saving Report

Season 2025/26 proved to be a very dynamic year for BHMP patrols, with condition from severe to placid, weather changing like Melbourne through a shift, from high winds, to blue sky days, record crowds to empty beaches, on top of constant changes to the amount of sand available through beach erosion– our teams had their work cut out for them all season.

I'd like to start by thanking the patrol members for their commitment to keeping Burleigh Beach safe. Their work and vigilance has been noted by the community and local businesses, like the Pavilion have seen the work of our people and have pledged to provide support to the patrol groups, through the purchase of some new gear and equipment. Our 13 teams completed 163 rostered patrols, close to 8000 patrol hours across 8 months lead by a team of Captains and Vice Captains who tirelessly managed their teams to ensure the community could enjoy our beach. I was also supported this by year my Vice Captain Jake Bonner, CTO Mick Slattery and informally, Lily O'Sullivan who worked as a liaison for the BSB athletes and Matt Smith who recruited and corralled some boaties, who assisted particularly in the later part of the season.

I again thank everyone who assisted by substituting in this season, to assist some of the patrol groups who were low on numbers or awards. Notable mention again is Lynn and Byron, exceedingly high number of patrol hours this season, but some support even from the Old Boys members, with Dave Roberts, Chris Walker and others donning the yellow shirt and noddy cap to assist patrols on a few occasions. At the recent awards night we celebrate a few members for their contributions, but honestly, the whole patrolling team deserve a medal!

Through the tireless work of our training team and recruitment by the Boaties and Nipper committee, we have seen an overall improvement in the total numbers of bronze holders, so now we need to work on other awards, like First Aid, ART and IRB qualifications. Especially related to IRB driving, the numbers are dwindling, meaning those who have this award are being asked every week to assist with patrols. If you know anyone with a boat licence, please encourage them to consider completing the IRB drivers' course, it is the best job on the beach!

I also want to acknowledge Joe Z – the gear steward and the old boys, especially Bruce for their work keeping the patrol space and equipment clean, serviceable and ready to go, even while working around the exciting new redevelopments. I better also thank my wife Tammy, for ensuring we had operational boats to use, not just for patrol, but carnivals, nippers, events and training. Without the support of all these people, we would be scrambling each week and replacing a lot of equipment, love your work team!

Lastly, I'd like to thank all of Burleigh Heads Mowbray Park Surf Lifesaving Club. I feel we are a family club and we band together, not just for patrols, but for all activities and events at our beach, in particular we hosted a successful World Ocean Series event, the Burleigh Ocean Swim and Burleigh Swim Run event, plus a number of surfing events held off the point and supported by the patrols and club.

Thank you all for your contributions and I hope everyone comes back to patrol for the 2026/27 season, we need your help!!!

Justin Payne

Director of Training & Education Report

This season (2025-2026) the training area has had a normal season trying to accommodate members that wished to attain a certain certificate or award for them to complete their requirements so they could assist the club in keeping Burleigh Beach open and safe for the public. The award statistics show just how many awards were achieved during the 2025 – 2026 season, congratulations to all who put in the time and effort to gain the certificate and or award they trained for.

This year I have been supported as usual by a band of very dedicated, positive and enthusiastic trainers, without their assistance we would be struggling to get the training completed especially in, as I see it, a professional as well as complete all the training that's required.

The training cannot be conducted without the support of some very dedicated members that gave up their time to assist with the training, as you can see the training conducted is way too much for one or two people to handle, so BHMP is very lucky to have members that assist with the training to ensure all aspects of the training are covered. I will try and identify the trainers that helped the club out over the season

- First Aid and ART – Becki Bonner, Marie Newton and Justin Payne
- IRB Driver / Crewman – Ian Bonner, Ryan Iezzi, Ian Malcom, Peter Whitty, Juozas (Joe) Ziukelis. (also many others who assisted with the training, thank you)
- Bronze / Surf Rescue Certificate –Becki Bonner, Justin Payne, Ryan Iezzi, Kerri-Lyn French, Russell Whitmore, Ian Bonner, Jake Bonner, Marie Newton, Peter Whitty and all of the helpers at the September Surf Camp.
- Bronze Medallion, SRC, Observer, Radio Operator and Resuscitation Skills Maintenance (Proficiency) – Becki Bonner, Ryan Iezzi, Justin Payne, Marie Newton and Pete Whitty.
- If I have missed anyone, I'm sorry, but I still appreciate all the assistance given by everyone that helped out with all the training conducted throughout the season including Skills Maintenance, THANK YOU without that assistance it wouldn't have happened.

The club is always looking for more trainers so please if you can assist please let me know, SLSQ does offer training for members to attain the full Certificate 4 in Training and Assessment. This can be done in stages, so you can attain your Trainers then Assessors competencies, eventually attaining all the required Cert 4 competencies.

The training that we conduct now requires all theory aspects to be completed online, which means that when you do a First Aid or ART course all the theory should be completed prior to the days training, which means that the training component will be mostly practical so, for example, instead of 8 hours for the First

Aid training day it should be 3 hours (which includes CPR), but the online component MUST be completed prior, which for ART can mean up to 7 hours online.

Skills Maintenance also has an online theory component which must be completed. When you are notified via the team app it will have ALL REQUIREMENTS for you to complete the theory as well as any other online requirement, so that the Skills Maintenance session can be completed efficiently as possible. Which makes for a quick and successful day where you ensure that you still HAVE IT!!!!

Last seasons Skills Maintenance introduced Lifesaving CPR, this encouraged that DRSABCD was decidedly quicker which in theory has CPR commenced quicker than previously trained. I would expect that Lifesaving CPR to be reinforced with this coming season skills maintenance sessions, as well as our Run-Swim-Run, board/tube rescues, spinal carries and beach assessments. Do yourself a favour attend the first skills maintenance session that you can, the first one will be August.

All members should be aware that Advanced Resuscitation Techniques (AID)] will no longer be current and the required award has been updated to Provide Advanced Resuscitation and Oxygen Therapy HLTAID015. If you require this award for patrols, work or anything else, courses will be conducted at BHMP as well as Branch, with courses conducted at the Mermaid Beach training room.

All members are encouraged to ensure that their “Blue Card” is always current, so when you are advised by the QLD Government about updating the card please answer the email ASAP and the renewal will happen as required prior to the expiry date. Any problems please see the admin office.

For all training happenings please keep up to date with the Information Notice Board in the “Old Boys Court Yard”, as well as the Team App, any issues please let us know.

I would like to thank the management committee, for the assistance given throughout the season, I think the club has the best facilities in Surf Life Saving. The equipment is first class and is updated when required, we do not miss out on anything, who else has a 25-metre pool!!!! We just need to utilise it more. Again let us know if you want to get in the pool and keep yourself as fit as you need to be to ensure that you are happy with your fitness level for next season.

Congratulations to Justin Payne and all Patrolling members another season of “Fatality Free” bathing on Burleigh Heads Beach. This is not as easy as people think, we have a popular beach that attracts a very large bathing population during the season, this means the club has a lot of eyes on it both local and visitors, so please remember that you are representing Burleigh Heads Mowbray Park SLSC and are on the beach to keep the public safe.

Thank you for the continued support to BHMP, with the introduction of tram travel into Burleigh, the beach population, I am sure this will increase this coming season, so we will need everybody back on Burleigh Beach come September.

See you on the beach,

Michael (Mick) Slattery

Director of Surf Sports Report

Well, what a great season we had. I could not be prouder of the way everyone performed and represented the Club. From having 16 athletes qualify in the Shaw and Partners Iron Series and 6 qualifying for next season was outstanding. It was an extremely busy season from the Iron Series to the WOS with some extremely good results and wins then leading into State and Aussies.

Stand out performances from the 3 boys coming 1st 2nd and 3rd in the Open Iron which will probably not happen again. All of this comes from a lot of hard work and discipline from our athletes and our coaches. You could not get a more professional program in any Club in Australia and that comes from our Head Coach Michael King. The amount of time he puts in for the wellbeing of all our athletes so they all can achieve their best is second to none. I thank him for his contributions and looking forward to the new season ahead. He has great support from all the coaches under him John Andrews who pretty much was at all senior and youth carnivals which was a huge effort and with the support of Sam Don. I would also like to thank the assistance in training the athletes of Nick Crilly, Jenaya Massey, Nick Dennis and Blake Hessel.

To the Nippers with Ben Short leading the way with Brielle Cooper and Sam Don assisting they had the best State results in a long time. Also a big thank you to the Nippers Beach Coach Mark Russell for the time you put into the beach program.

Our appreciation also extends to Nev & Anita Huth and Mal Crispe for their ongoing dedication to our March Past and Rescue & Resuscitation (R&R) teams. Their commitment ensures these important disciplines remain a valued and successful part of our Club.

The Boat section had some tremendous results with their resurgence in getting medals at big events. This has come from a lot of hard work and passion from Matt Smith driving it and having support from the boat section and the backing of the Surf Club. After a super busy season it all comes down to a lot of hard work that gets done behind the scenes.

A massive thank you to Kristina who does so much for the whole Surf Sports area of the Club. To Travis who came on as Team Manager this season and had everything in place from accommodation to handling things on the beach thank you for making my job that much easier. To Rob, Bruce and Pat for driving the trailers to all the carnivals we couldn't compete if we don't have these guys doing this for us.

A big thank you to the support from Peter Sherwood who is always wanting to support the Club during the season with equipment and pretty much anything.

I would like to thank the Club and Management Committee that makes this possible as we couldn't do this without your support.

While the trophies and results are something we are incredibly proud of it is the spirit of our Club the friendships formed and the shared commitment to excellence that make this program truly special. Congratulations to all competitors on a remarkable 2025/26 season.

We look forward to building on this success and seeing what new challenges and achievements await us next season.
Go Burleigh!

Chris Walker

Team Managers Report

The 2025/26 season was another highly successful year for Burleigh Heads Mowbray Park SLSC highlighted by strong participation and excellent results across all levels of competition.

The Club fielded a large and competitive team throughout the season, including the Shaw and Partners World Ocean Series, Queensland State Championships and the Australian Surf Life Saving Championships. Across all disciplines, Burleigh athletes consistently performed at a high level with the Club regularly featuring on the podium throughout the season. These results reflect both the depth of talent and the strength of the overall program.

A major highlight of the season was the Club's performance at the Australian Surf Life Saving Championships, where Burleigh once again demonstrated its ability to compete amongst the leading clubs in the country. Strong performances across both individual and team events resulted in the Club finishing 3rd overall in the Open point score, reinforcing Burleigh's standing as one of Australia's premier surf sports programs.

The Club also achieved exceptional results at the Queensland State Championships, finishing 1st Overall Combined Club and 2nd Overall Senior Club. These results reflected the strength, consistency and depth of the Burleigh program across all age groups and disciplines.

Burleigh also recorded outstanding representation in the Shaw and Partners Iron Series, with 16 competitors qualifying for the series, the largest representation of any club in Australia. Of those athletes, six secured requalification for next season, further demonstrating the sustained strength and competitiveness of the program at the highest level of the sport.

In addition, Burleigh athletes achieved strong representation within both Queensland and Australian teams, highlighting the quality of athletes being developed through the Club's pathways and high-performance program. The season also saw a number of Burleigh athletes continue to establish themselves at the elite level of the sport through strong performances across all major national events.

Managing a large team requires a significant coordinated effort from athletes, coaches, officials, volunteers and support crews. Equally pleasing throughout the season was the way athletes represented the Club both on and off the beach. The professionalism, teamwork and pride shown across all levels of competition continued to reflect the strong culture that exists within the program.

A special acknowledgement must be made to the Club's officials, whose contribution continues to be critical to the success of the program. Their commitment, professionalism and willingness to volunteer countless hours at carnivals is greatly appreciated and plays a vital role in supporting the Club.

A special thank you also goes to Rob Larsson for his outstanding work coordinating trailers, equipment and transport logistics across the season, including multiple trips to Sydney and the Sunshine Coast. Thank you to Pat Warn for always being available to assist with equipment transport whenever required and to Jenna McIntyre for her ongoing support at carnivals and her meticulous attention to detail throughout the season.

We also acknowledge the continued support of the Surf Sports Committee and the Board of Management, whose leadership and backing remain critical to the success of the program. A major thank you to Chris Walker and Michael King for their leadership, commitment and significant contribution throughout the season. Their effort and input have been instrumental in the outcomes achieved this year.

Finally, thank you to all coaches, whose time, expertise and commitment continue to develop athletes, strengthen the Club and build the culture that underpins the success of the Burleigh program.

The 2025/26 season has once again demonstrated the strength of Burleigh Heads Mowbray Park SLSC not only in performance, but in culture, teamwork and professionalism and provides a strong foundation for success into the future.

Travis Callaghan

Junior Team Managers Report

The 2025/26 season was a huge one for our U11-15 group. It felt like every weekend was dedicated to a carnival. And more than anything, it was a reminder of what surf sports is really about. At its heart, surf sports is about building capable, confident young people in and around the surf. It's about teaching our kids how to handle themselves in the water, how to stay calm under pressure, how to work as a team, how to dig deep when things get hard and how to represent something bigger than themselves. It also plays an important role in preparing our young members for the bigger surf lifesaving journey - not just carnivals, but patrols, service and being part of a club community.

This season our U11–15 athletes travelled, competed and represented BHMP across Gold Coast City Titles, Branch, Queensland Youth Championships, Australian Youth Championships, the QLD Beach Series, World Ocean Series events and representative pathway opportunities including the Queensland Cyclones Pathways Team. Along the way, they raced at home and on the road - from Burleigh, North Kirra, Kurrawa & Northcliffe, to Maroochydore, Coffs Harbour, Port Macquarie and Manly. Those carnivals bring excitement, nerves, long days, early starts, changing conditions and plenty of moving parts, but they also bring out the best in people. They ask our athletes to be prepared, resilient and adaptable and they give them the chance to test the surf skills they work so hard on all season.

Just as importantly, the season is not only about what happens in a race arena. For many of our athletes, these years are also about building a real connection to the club, learning the value of turning up, contributing and understanding that being a clubbie is about more than individual performance. It is also the stage where patrol hours start to become part of the journey, along with a stronger sense of service to the club and the wider community. Surf sports helps develop strong competitors, but it also helps develop young people who understand commitment, responsibility and what it means to be part of something bigger than themselves.

One of the best things about BHMP is that our athletes are supported by such a strong and committed group around them. A huge thank you to our water coaches John Andrews, Sam Don, Benny Short, Brielle Cooper and Blake Hessel, who gave our athletes such a strong surf and craft program throughout the season. Thank you also to Rusty for his work in beach events and to Nev and Anita Huth, Chris Raymond & Mal Crispe for their continued dedication to March Past and R & R. The range of training sessions on offer each week across the different disciplines is huge and it gives our athletes every opportunity to improve, challenge themselves and grow in confidence.

A massive thank you as well to Danielle Parker, our other U11-15s Team Manager, for everything she contributed across the season. There is a lot involved in getting a team to carnivals and keeping things running smoothly and Danielle played a huge part in that.

A very special thank you also to our Nominations Officers, Louise Hogben and Kristina O'Connell. Louise managed our Junior Nominations for U11-13s and Kristina looked after Carnival Nominations for our 14s and 15s. These roles are absolutely critical and often underestimated. Nominations are one of those jobs that can look simple from the outside, but anyone who has done it knows how much organisation, follow up, accuracy and patience it takes. Having Louise and Kristina managing that side of things made a huge difference.

Kate Conrad also deserves special mention (& a medal) for the amazing job she did organising volunteers for each carnival. Carnivals only happen because people step forward to fill the many roles required and Kate's work in managing that was outstanding.

Thank you to all of our parent and non-parent volunteers who helped throughout the season - whether through officialling, water safety, first aid, age group support or simply stepping in wherever needed. The truth is, getting competitors to carnivals is a massive team effort. It starts well before race day. There are training sessions to get to, entries to finalise, officials and water safety to organise, uniforms and equipment to prepare, trailers to load, tents to set up, programs to read and plenty of last minute changes to work through. None of that happens on its own.

Thank you to the club and committee for the support they gave all season including fundraising and raffle opportunities, debriefs, team dinners, uniforms for States and Aussies, equipment and covering carnival entry costs. It makes competition more accessible for families and it shows our athletes that the club is behind them.

A huge thank you to Rob Larrson for his work as our gear steward and for towing craft trailers wherever they needed to go. It's one of those jobs that is absolutely essential and often goes unnoticed unless it is not done. Rob's contribution behind the scenes was significant.

And of course, thank you to the Old Boys, who always seem to be there when something needs doing - and often before anyone has even asked. Every club needs people like that. Their support, generosity and willingness to help is a real part of what makes BHMP special.

What I love about Burleigh is that it is a club with real history, but not in a way that feels stuck in the past. It's a club with deep roots, strong people and a culture that still means something. Every season another group of young athletes gets to pull on the cap and become part of that story. It reminds you that surf sports is about belonging to a club, a community and a tradition of showing up for the beach and for each other.

And for me, that is where the real highlights of the season often sit.

Of course, we all love seeing our athletes do well. We love the moments where the hard work pays off and the results come. But if I'm honest, the highlight for me at almost every carnival is not always the medals or the achievements. It's the moments of camaraderie under the tent between teammates. It's watching clubbies help other clubbies. It's seeing older kids encourage younger ones, seeing athletes support each other after a tough race, seeing families pitch in and seeing people step up for the good of the team without needing to be asked. Those are the moments that really get me in the feels, because they are the moments that show what this club is actually about.

That sense of community is what makes the long days, early starts and all the behind the scenes effort worth it. It's what turns a group of competitors into a team and a team into a club.

Parents give up weekends. Volunteers provide countless hours. The committee supports the season. Team managers keep everything moving. Nominations officers make sure athletes are entered where they need to be. Gear gets packed and towed. Officials, water safety and first aiders do their part. Then our athletes arrive at carnivals and do what they do best - they turn up, work hard, compete strongly and represent Burleigh with pride. And they really did that this season.

Our U11-15 competitors should be incredibly proud of themselves. They trained hard, kept showing up, handled the ups and downs that naturally come with competition (including all of our weather events), supported one another and wore the BHMP cap with pride.

Thank you to everyone who helped make the season what it was.

And to our competitors, thank you for the effort, the attitude and the way you represented BHMP all season. You did your club proud.

Jenna McIntyre

Gear & Equipment Officer – Surf Sports Report

Another successful season completed and all the trailers etc. survived and all the gear survived many trips south of the border right to Sydney and also several to Sunshine Coast.

With 16 Athletes making the World Iron Series the new medium sized trailer accommodated the requirements of the growth and success within the club.

As always, it is a huge task loading up the trailers to go to events (plus reloading etc. when completed) and a special thanks goes out to those few dedicated parents who are ALWAYS on hand no matter what and numerous athletes always willing to lend a hand.
A special thanks again this year to Pat Warne towing one of the trailers to numerous carnivals -a great help to Chris and myself.

Big thanks goes to all the old boys, especially Bruce and Dave for all the help whenever needed.
Also great thanks to Bruce who accompanied me on several trips South this year and his company is appreciated as well as his support for the athletes.

Thanks as always to Chris for ongoing organising of all things required for successful attendance to
events and to Travis for all his help whilst excelling as Team Manager.

Huge congratulations to Michael for the achievements his fine athletes have achieved this year
under his coaching --- and especially the
1 // 2// 3// of our boys in the Australian Open Iron-man --- FIRST TIME IN HISTORY.

There is a lot of work in many areas to provide storage, travel to carnivals, assistance at carnivals,
etc. throughout the season and a big thanks to all those who are always there to assist.

Rob Larsson

IRB Report

Another successful season for our Inflatable Rescue Boats (IRB) team, supporting the club across a wide range of operations. As this was my first year in the role, a sincere thank you to everyone who helped me find my feet, shared knowledge and supported the season along the way.

PATROLS:

A challenging season across beaches State-wide and ours was no exception, with difficult conditions and ongoing erosion keeping us on our toes. Having operational IRBs and qualified members available was crucial. Patrol groups did an exceptional job ensuring craft were operational, set-up, washed down and maintained to a high standard, supporting both operational readiness and equipment longevity. Thank you.

WATER SAFETY:

- Surf Sport Carnival involvement – Club, Branch, SLSQ, SLSA and WOS events.
- Nipper Sundays and training sessions.
- Event support – Burleigh Ocean Swim, Australia Day Swim Run, The Sunshine Swim and paddle-outs/spreading of ashes.

RACE TEAM:

Following last season's pause, we again will not contest the 2026 Shark Skin Ocean Roar IRB season. Focus instead remained on award training and engagement to gauge future interest, with several recent recruits expressing interest. A collaborative "come and try" session may be considered early in the 26/27 season to assess demand and future team development opportunities.

EDUCATION:

Additional award holders are still needed to support patrols and events. Thank you to all who assisted with Driver and Crewie courses this season, including JAC Brad Birch and team for encouraging Nipper parent involvement, Matt Smith for engaging Boaties, as well as Mick Slattery, Becki and Ian Bonner, Justin Payne and our assessors for facilitating courses. This season we trained 10 new BHMP crewies and 1 driver, with continued recruitment a priority heading into 26/27.

GEAR:

MOTORS – 9 TOTAL

1 retired (No. 4) for parts. Two purchased this season: No. 26 (kindly donated by Burleigh Pavilion) is now operational following run-in, while another motor arrived this week via grant funding and will be operational for the start of 26/27. Thank you to our supporters and to Mid Coast Marine for sourcing and preparing them.

Maintenance: all motors were serviced and maintained throughout the season with no major damage sustained. Expenditure remained within expected wear-and-tear requirements, with running repairs completed as needed. No issues resulted from operator error or process deficiencies, therefore no further recommendations are required. Thanks to Mid Coast Marine and Tweed Coast Marine for their continued support in this area.

IRBs – 8 TOTAL

- 4 x Thundercat Gen-II (377) – 1 retired this season (Dave Roberts 2011); 2 due for review next season (Bossy 2013 and Whit 2014).
- 3 x Thundercat Gen-III – currently the only IRBs eligible for SLSA-level water safety requirements.
- 1 x Zodiac Milpro ZMSR (385).

Maintenance: minimal replacements required - neoprene handle covers, knife straps and rope straps. Thanks to Joe Ziukelis, Bruce Mayne, Chris Walker and so many others for your assistance with gear and fuel this season.

A significant amount of work goes into preparing, storing, transporting, maintaining and staffing these craft to support club operations and I'd like to thank everyone who contributed this season in whatever capacity, it genuinely could not have happened without you.

Wishing all crews a rejuvenating off-season, you've earned it! I look forward to seeing you all on the water again for season 26/27.

Tammy Payne

Senior Surf Coach Report

The 2025/26 season has been nothing short of extraordinary — a year that we as a team will remember as our best together so far. Our athletes have pushed the boundaries of what was thought possible, delivering performances that have left their mark on surf lifesaving at every level. From the Iron Series to the Australian Titles and State Championships, the depth and determination of this group has been on full display. The resilience and relentless work ethic of every athlete and coach has made this season one I will never forget. I am immensely proud of each and every one of you.

Carnivals Attended

Shaw and Partners Iron Series

The Iron Series was a standout campaign for Burleigh, with exceptional representation across all divisions and some truly landmark individual performances.

- 8 men and 8 women qualified for the Series — a remarkable show of depth across the club
- 3 men and 3 women re-qualified for next year's Series, ensuring our continued presence at the elite level
- Carla and Ethan led the overall standings after the first 5 rounds of the Series
- Ethan finished 3rd overall in the series
- Carla finished 2nd in the Coolangatta Gold
- First professional Iron Series wins for Lily O'Sullivan, Ethan Callaghan and Carla Papic
- Podium finishes for Joel Piper and Sean Riley throughout the series

World Ocean Series

Burleigh Surf Club was once again well represented at the World Ocean Series, with athletes performing at the highest level across all divisions.

- Ethan Callaghan won the overall WOS iron and claimed victory in the Shannon round
- Carla Papac won the Shannon round
- Lily O'Sullivan won the overall board
- Numerous individual team wins and podiums

Queensland State Championships

The State Championships showcased the incredible squad depth we have built at Burleigh, with record numbers selected in both the State Team and Super Surf Teams. It was the closest we have ever come to taking out the State title outright.

- Record numbers selected in the State Team and Super Surf Teams
- Burleigh finished 2nd overall at State Championships — our best State result

Australian Surf Life Saving Titles

The Australian Titles were the highlight of a remarkable season, with Burleigh making history across multiple events. Our athletes delivered performances that will be talked about for years to come and the team spirit on display was truly exceptional.

- Burleigh finished 3rd overall at the Australian Titles — on a countback — the closest we have ever been to the top
- Creating history in the Open Iron — Burleigh athletes swept the podium 1st, 2nd and 3rd: Ethan Callaghan (1st), Sean Riley (2nd), Joel Piper (3rd)
- Creating history in the Open Men's Board Relay — the D team won the event outright (Ben Highfield, Nathan Jay, Taj Andrews)
- Lily O'Sullivan won the Board and Swim, also finishing 2nd in the Iron
- Ethan Callaghan also won the Board event
- 7 Burleigh athletes qualified for the Open Iron final
- Many team wins, was an incredible week.

World Titles Selection

Following the Australian Titles, a number of our athletes earned selection in the Australian squad for the World Titles — a testament to the standard we have achieved at Burleigh:

- Ethan Callaghan, Joel Piper, Lily O'Sullivan and James Koch were selected in the Australian Open squad for Worlds
- Bianca Rayward and Sienna Bush were selected in the Australian Youth squad for Worlds

Season Summary

This season has been historic on every measure. To finish 2nd overall at State and 3rd overall at the Australian Titles (on a countback) demonstrates how far this group has come. Our Iron Series campaign had record squad representation, multiple first-time professional wins and a consistent presence at the pointy end of the races throughout.

The Team

A special thank you to the full coaching team of John Andrews, Nick Crilly, Ben Short, Sam Don, Brielle Cooper, Jenaya Massie, Nick Dennis, Blake Hessel and Josh and all of Momentum Gym for their incredible dedication, organisation and commitment to every athlete throughout the season. Your hard work behind the scenes is what makes results like these possible and I am grateful to have such a talented and passionate group alongside me.

Special thank you to the patron Peter Sherwood for all his support, advice and generosity and President Michael Boyce and the whole executive committee for their ongoing dedication to the squad.

Massive thank you to Travis Callaghan, all the team managers for organising and keeping together our large and growing group, Rob Larrson and the trailer drivers for their dedication and hard work, it does not go unnoticed. I am very grateful for all the officials and IRB drivers, without them, we do not race at all. To all the parents, volunteers and supporters who give their time so generously, we appreciate you all. None of this happens without you.

Last but not least, a huge thank you to Chris Walker, the Director of Surf Sports. Your support, encouragement and advice has kept my head on straight during both good and bad times and the squads success this year is a testament to your great work.

To all the athletes: thank you for trusting the process, backing each other and making this the best season of my life. Bring on 2026/27!

Michael (Kingy) King

Youth Development Coach Report

The 2025/26 season marked my fifth year coaching Burleigh Heads Mowbray Park (BHMP) youth athletes with assistant coach "Sam Don" and under the leadership of Head Coach Michael King and Surf Sports Director Chris Walker.

Throughout the season, the values and culture that define BHMP were evident across the entire youth program:

1. **Team** – Support and encourage one another.
2. **Train to Race** – Prepare with purpose and intent.
3. **Pride** – In our club, our cap and our traditions.
4. **Communication** – Open, honest and constructive.
5. **Enjoyment** – Creating an environment where athletes thrive.

Training and Athlete Development

Pre-season training commenced in mid-June, with an initial commitment of 20+ athletes across the U14, U15 and U17 age groups. Participation quickly grew, with approximately 30-40 athletes consistently attending sessions throughout the season.

Athlete development remained the primary focus of the program. Early commitment to pre-season training was critical, with athletes challenged both physically and mentally. Their dedication, competitiveness and willingness to embrace the process were evident from the outset. This established a strong standard for the season and allowed performance levels to continually improve.

Once again, I was fortunate to work with a group of young athletes who displayed immense pride in representing BHMP. They supported one another, embraced the club culture and committed fully to the program.

As part of their progression, U14, 15 and U17 advanced athletes pursuing higher levels of competition were encouraged to undertake additional board training sessions with the senior squad on Thursdays under Head Coach Michael King.

Whether measured through competitive success or personal growth, every athlete who committed to the program achieved meaningful development throughout the season.

Goals and Expectations

During pre-season, all athletes were required to establish personal goals. These goals were reviewed and, where necessary, adjusted midway through the competition season.

Alongside their individual objectives, the group was encouraged to focus on three key behaviours:

- **Consistency**
- **Persistence**
- **Resilience**

These principles were expected to guide their efforts at training and during competition.

Target carnivals and major competitions were identified throughout the season to provide athletes with clear performance objectives and opportunities to build confidence, experience and resilience.

Achievements

Shaw and Partners World Ocean Series

BHMP athletes strongly contested the Shaw and Partners World Ocean Series. This premier series saw U14 athletes compete in U15 divisions, while many U17 athletes also entered Open events.

The team travelled extensively to compete at events held in:

- Burleigh Heads (QLD)
- Alexandra Headland (QLD)
- Coffs Harbour (NSW)
- Bonney Hills (NSW)
- Glenelg (SA)
- Manly Beach (NSW)
- Freshwater Beach (NSW)
- Northcliffe (QLD)

Many BHMP athletes featured regularly in finals and achieved outstanding overall series results.

Overall Pointscore Results

Top 3 U15&U17

- U17 Swim Champion - Layla Wyper 1st
- U17 Ironwoman – Layla Wyper 2nd
- U15 Ironwoman – Elke Rayward 2nd
- U15 Board – Elke Rayward 3rd

U17 Top 10 Rankings

- Iron: Immi Dowker, Jess Conrad
- Ski: Layla Wyper, Taylah Birch, Jess Conrad, Lola Maloney
- Swim: Taylah Birch, Immi Dowker, Jess Conrad, Savannah Bush
- Board: Layla Wyper, Jess Conrad, Katie Palmer, Amber Stevenson
- Board: Archie Harrison

U15 Top 10 Rankings

- Board: Fletcher Dutton
- Swim: Elke Rayward

Queensland Interbranch Representation

The following athletes were selected to represent South Coast at the Queensland Interbranch Championships:

- Jess Conrad
- Layla Wyper
- Taylah Birch
- Elke Rayward
- Halle Thomas
- Stella de la Port

Queensland Cyclones State Team Representatives

- Jess Conrad
- Layla Wyper
- Taylah Birch

Queensland Youth State Championships

U14, U15 and U17 athletes competed at the Queensland Youth and Open State Championships at Mooloolaba Beach over consecutive weekends.

Surf Life Saving Australian Championships
U14, U15 & 17 Division

U14, U15 and U17 athletes competed at the Australian Youth and Open Surf Life Saving Championships at North Kirra Beach over a 9 day period with varying surf conditions. Due to dangerous surf conditions, the program was modified, with racing compressed due to holding of events during that period.

Despite the challenging circumstances and conditions, the majority of our athletes progressed through to finals.

Coach's Reflection and Acknowledgements

As coaches, we are fortunate to witness the growth of young athletes not only as competitors, but as people. Throughout this season, I was most proud of the way our athletes embraced challenges, supported one another and represented BHMP with pride, humility and respect. The results achieved are a reflection of their commitment, but equally important is the culture they continue to build within our youth program.

I would like to sincerely thank Assistant Coach Sam Don for his dedication, energy and support throughout the season. Sam's contribution to athlete development and team culture has been invaluable.

A special thank you also to our Team Manager, Jenna McIntyre, whose organisation, communication and tireless behind-the-scenes work ensured our athletes, coaches and families were supported throughout the year. Jenna's efforts often go unseen, but they are greatly appreciated by everyone involved in the program.

To our parents and families, thank you for your ongoing commitment, encouragement and countless hours spent travelling, supporting and helping our athletes pursue their goals. Your support is fundamental to the success of our program.

I would also like to acknowledge our volunteers, water safety personnel and officials. Their willingness to give their time and expertise allows our athletes to train, compete and develop in a safe and professional environment. Our sport simply could not operate without their contribution.

Finally, thank you to Head Coach Michael King, Surf Sports Director Chris Walker and the broader BHMP community for their continued leadership and support. Together we continue to build a program that develops capable athletes, good people and a strong future for our Club.

The future of BHMP Youth Surf Sports is extremely bright and I look forward to seeing the next generation continue to grow, compete and represent our club with pride.

John Andrews

Boaties Report

Overview
The 2025/26 season marked a pivotal phase of rebuilding and renewed direction for the Surf Boat Section. With a clear focus on culture, consistency and long-term sustainability, the section has laid strong foundations for future competitive success.
This season has been defined not only by performance outcomes, but by the re-establishment of standards, identity and alignment across all crews.

Participation & Growth
Participation and engagement across the season showed significant positive momentum.
Over the course of the season, more than 20 new rowers either competed for the club or engaged through fill-in and trial sessions. These athletes ranged from U17 school-age rowers through to Olympic-level still-water rowers, highlighting the broad appeal and potential of the program.
An exciting initiative introduced this season was the Surf Boat Familiarisation Program, designed for parents and Nippers. Delivered on Sunday mornings, these sessions included:

- Live demonstrations
- Hands-on opportunities with boats and oars
- Direct exposure to surf boat pathways within the club

This initiative has begun to build a visible and accessible pathway from junior programs into surf boats.

Training & Performance
A structured weekly training framework was implemented to support both development and performance, including:

- Ergometer conditioning sessions
- Flat water technical rowing
- Surf-specific sessions

This balanced approach has improved aerobic capacity, technical proficiency and race execution under surf conditions. Crews showed measurable improvement in cohesion, decision-making and competitiveness throughout the season.

Competition Highlights
The section was strongly represented across the Queensland Cup series, ASRL events and championship competitions, with several standout performances:

Open Women – Broadbeach Crew

- Australian Team Trial – Finalists
- ASRL Short Course – Finalists
- Queensland State Team Trial – **1st Place** (State Team Representation)
- Australian Titles – **2nd Place (Final)**

U23 Men

- **2nd Place – Queensland State Titles**

Masters Division

- Masters Men – **Gold Medal (Queensland State Titles)**
- Masters Women – **Bronze Medal (Queensland State Titles)**

These results reflect a strong competitive base and demonstrate the section's ability to perform across multiple divisions.

Culture & Leadership

A major priority this season has been the reset and strengthening of culture within the section.

Key areas of focus included:

- Establishing clear expectations around commitment and attendance
- Reinforcing accountability and team-first behaviours
- Building stronger alignment between athletes, coaches and leadership

There has been a clear and noticeable shift toward a more professional, disciplined and driven environment.

Equipment & Sponsorship

The section made significant progress in strengthening both its asset base and commercial sustainability.

- Continued partnership with Burleigh Brewing Co.
- Engagement of long-term sponsors in sustainable relationships
- Approximately $60,000 raised by rowers and supporters over a 12-month period

These funds have been directed toward the procurement and top-up cycle of a new surf boat fleet, ensuring the section remains competitive and well-equipped into the future.

Challenges

As part of a rebuilding phase, the section has navigated several challenges:

- Athlete recruitment and retention
- Balancing experience across developing and established crews
- Financial demands associated with equipment and competition

These challenges are being actively addressed through strategic planning and continued community engagement.

Looking Ahead – 2026/27 Season

The focus for the upcoming season is centred on growth, pathways and sustained performance:

- Development of junior crews and structured progression pathways
- Stronger alignment with rowing clubs and school programs
- Continued engagement of young club members transitioning from their craft journey
- Expansion of athlete numbers across all divisions
- Strengthening sponsorship and commercial partnerships
- Targeting consistent podium performances at State and Australian Titles

With the foundations now firmly established, the section is well positioned to transition from rebuilding into a sustained period of competitive success.

Acknowledgements

The Surf Boat Section extends its appreciation to:

- Athletes and sweep/coach leadership group
- Families, supporters and volunteers
- Club management and committee
- Sponsors and community partners

Their ongoing contribution is critical to the continued growth and success of the program.

Matthew Smith
Surf Boat Officer

Junior Surf Coach Report

The 2025/2026 season was one of the most successful and progressive seasons for the Burleigh Heads Mowbray Park Surf Life Saving Club Junior Activities program, highlighted by strong performances at both State and Australian Championship level, alongside significant growth across our development pathways.

Throughout the season, Burleigh athletes consistently achieved finals, podium finishes and relay success across Queensland and national competition. A major achievement for the club was finishing 3rd overall at the Queensland Junior State Championships, reinforcing Burleigh's position as one of the strongest junior surf clubs in the state.

At the Australian Surf Life Saving Championships, Burleigh athletes continued this success on the national stage. A standout result came through our Under 13 Male Board Relay team, who claimed an Australian Championship title.

Individually, Willow Stephenson achieved outstanding success by winning an Australian individual board title, while also contributing to podium finishes in team events and individual swim events. These performances reflected the growing depth, versatility and competitiveness within the club's youth program.

This season also marked the successful introduction of the Burleigh Junior Swimming Program, operating from our own club pool for Under 9 to Under 13 athletes. The program quickly became an important part of athlete development, improving swimming confidence, fitness and race preparation while strengthening connections between athletes, coaches and families in a familiar club environment.

Another major highlight was the expansion of the club's beach program. Increased coaching focus and athlete participation delivered immediate improvement, with Burleigh achieving some of its strongest beach event performances at State Championship level in recent years. The growth of the beach program created greater opportunities for athletes to contribute across multiple disciplines and strengthened the overall competitiveness of the club.

At grassroots level, the Under 8 Beginner Board Program experienced exceptional growth, with more young nippers paddling boards in Tallebudgera Creek than ever before. The program provided a safe and enjoyable introduction to surf sports while building confidence and foundational skills for future development.

Beyond results, the season continued to reinforce the strong culture within the Burleigh junior program. Athletes supported one another, families contributed countless volunteer hours and coaches worked tirelessly to create an environment focused on development, enjoyment and long-term opportunity within surf lifesaving.

The continued growth of our swimming, beach and board programs, combined with outstanding competition performances, has positioned Burleigh strongly for the future and reflects the strength of the pathways being built throughout the club.

Benny Short, Sam Don & Brielle Cooper

March Past Report

10 IN A ROW!

That's probably a fitting way to start and end this report, recognising BHMP's long and successful history in March Past. Whilst the competitors come and go (due to age), our Club is undefeated at the State Youth Championships since 2013.

What made this year so special was that five of the twelve members were in the U10 age group and competed up in the U11-15 age group to form the team. When being presented their Championship medals even the dignitary recognised this fact, commenting that "this was one of the youngest teams he had seen".

Needless to say, the team also took gold at the Gold Coast City Titles and Branch Titles, making it the trifecta for the season once again.

Unfortunately, we must say goodbye to our U15 competitors Kirralee Jones and Oliver Jackson who have served our Club well as standard bearer and beltman respectively. Hopefully we'll see you in an U23 team shortly.

Thank you to Nev Huth, Anita Huth and Chris Raymond, for your coaching and support this season.

Mal Crispe
(on behalf of all March Past Coaches)

Rescue & Resuscitation (R&R) Report

Burleigh had three junior teams competing in 2 Person Rescue & Resuscitation (R&R) this season; Ava Spyer/Halle Thomas, Poppy Richardson/Mae Hutchinson and Coco Richardson/Maggie Moloney.

For Coco and Maggie this was their first year of R&R and the Queensland State Championships just so happened to be their first and only competition for the season. The girls prepared well and their efforts were rewarded, finishing in third place, only three points off the leaders.

Poppy and Mae opened their campaign in November at the Gold Coast City Titles and whilst they were a little rusty, took home some valuable competition experience and a gold medal. Competition was tough at the State Championships, with only 6 points separating first and third place after two rounds of Finals. The girls took home the bronze medal and due to clashes with other events, were unable to compete at the Aussies.

Ava Spyer and Halle Thomas were our most experienced team and won gold in their age division at the Gold Coast City Titles. Unfortunately, they were unavailable to compete later in the season.

There has already been strong interest for next season, with another four teams identified.

Special thanks to the Poppy, Mae, Coco and Maggie for being great ambassadors for our Club and to Nev Huth, Anita Huth and John Taylor for continued promotion and support of this great sport

Mal Crispe
(on behalf of all R&R Coaches)

Junior Activities Report

The 2025/26 Nipper Season was another outstanding year for Junior Activities at Burleigh Heads Mowbray Park Surf Life Saving Club. We achieved record participation, strong competition results and continued growth in volunteer support.

This season we welcomed over 400 Nippers to the beach each Sunday, including a record 90 U6 participants beginning their surf lifesaving journey. The sustained growth of our junior program reflects the welcoming and supportive culture fostered by our Age Group Leaders, volunteers and families.

The Junior Activities Committee expanded with the addition of Chris Hey, Sarah Huggins and Yvette McGettigan, joining Tommy Morewood and myself. To support our growing numbers, we strengthened the Age Group Leader team, ensuring high-quality coaching and care each week. Thanks to the generous support of Des Johns Swim and Multinail, our AGLs received updated shirts this season.

Competition involvement reached new highs, with a record 70 athletes from U8–U10 competing at the South Coast Branch Titles. A well-received competitors information session helped families understand pathways and boosted volunteer engagement, resulting in an additional 10 officials joining our junior ranks.

At the Queensland Youth State Titles, 65 Burleigh athletes competed, contributing to the club's excellent 3rd place overall finish. Special thanks to Renae Harrison and Sam Wyper for coordinating the State Team uniform packs and to the Perry Davies Memorial Golf Day for their ongoing support of our junior athletes.

Beyond competition, the season featured memorable community events. Twilight Nippers, held in partnership with Councillor Josh Martin, was a highlight, while the Christmas breakup party delivered beach games, treasure hunts, Santa's arrival on the SSV and the inaugural Burleigh Gift Handicap Sprint Race.

We extend our sincere gratitude to the Water Safety Team led by Sam Pocock and Deputy Nathan Reeves, our dedicated BBQ crew, Sue Pocock for coordinating the successful Christmas Gift Wrapping fundraiser at Stockland Burleigh Heads and all the volunteers who generously gave their time throughout the season. Junior Activities simply could not operate without this outstanding support.

We also thank our valued sponsors — Yochi, Yo My Goodness, Zarraffa's Coffee (Nerang and Worongary), Streets Ice Cream and John Holland — for their continued commitment to our junior program.

Finally, congratulations to our U14 members who celebrated the end of their Nipper journey with a fun day at Wet'n'Wild Gold Coast and a surf skills session as they transition to the next stage of surf lifesaving.

Thank you to everyone who contributed to another successful season. The growth and achievements of Junior Activities at Burleigh are a true reflection of the club's strong community spirit.

Brad Birch

Grant and Donation Report

Our Club continued making applications for grants and subsidies and as a not-for-profit organisation the ability to obtain such grants and subsidies is greatly enhanced. Our Club has a strong financial balance sheet and the pool of funds at times is provided to charities more in need. It is necessary to continually source available grants and apply for assistance to purchase training and rescue items. Grant funding can be submitted through various Government departments, Corporations, SLSA, SLSQ and the Gold Coast City Council. With ever-increasing education, training and rescue equipment it is necessary to upgrade these resources to ensure that our members have available to them the very best of equipment so our Club is adequately resourced and capable of fulfilling its patrolling obligations. This equipment also enables the Club to ensure our Members are adequately trained and resourced.

Donations are also appreciated and we are very fortunate that the Club was the recipient of a number of donations/sponsorships which has enabled the Club to purchase equipment and assist Members.

The Club has also been successful in obtaining grants and we are extremely thankful for the support of the Queensland Government, SLSA, SLSQ and the Gold Coast City Council.

Lions Club Burleigh Heads - $1,000
Assisted our Nippers once again with purchase/maintenance of gear and equipment for the Green Caps/Turtles.
GCCC Community Projects Program - $1,000
Assisted with costs for the Nipper Breakup.
QPS - Sustainability - $7,078.01
This enabled the Club to purchase an IRB Motor.
Beach Safety Equipment Fund - $11,000
Enabled our Club to purchase vital rescue and first aid equipment to assist with our patrolling members in their education, training and while on patrol.
Nazero Construction - $16,500
Assisted with the purchase of a Surf Boat.
ODUS Property Group - $16,500
Assisted with the purchase of a Surf Boat.
GCCC Community Projects Program - $20,000
Assisted with the installation of air conditioning to our Club Room Level 4.
Dept of Sport Racing & Olympic Games State (Liberal Party Pledge Hermann Voster) - $26,503.57
Enabled the Club to pay the GCCC outstanding Headworks Charges for the Gym at Township Dve, West Burleigh.
Shaw & Partners Financial Services - $33,000
This assisted the Surf Sports program of Board, Ski & Iron and the costs associated with Carnival Nominations, Gear & Equipment.
QPS - Funding - $37,709.38
This assisted the Club with its day to day operations in respect to our Patrols and the administration of same.
The Peter Sherwood Himself Trust - $151,600
Enabled our Club to provide a Patrons Dinner and support our Surf Sports athletes.

We look forward to securing further grants and donations in the future and our Club is committed to applying for future grants, donations and sponsorships. We thank all our Business Partners & Supporters for the continued support and generosity.

Old Lifesavers Report

I would like to thank all the Committee Members for their continued support along with partners, family members and friends during the season. Our condolences to all that have lost a loved one in the past year and to those members of the Old Boys that have passed as well.

The Old Boys have continued with their great work around the Club assisting as part of the general workforce, at Nipper BBQs and carnivals. To the group that show up daily helping where possible, we are always thankful for your fantastic and continued efforts around the Club.

The Old Boys continued in another Club tradition sponsoring and firing up the BBQs to feed those involved in the Annual Santa Hat Paddle Out. This event is always a fun morning and it's awesome to watch paddle boards, skis and boats all in the water together and afterwards exchanging gifts and kicking off the Christmas cheer.

We are in the process of updating the wall of BHMPs Australian Champions from a highly successful Aussies campaign this year. Next time you are in the Old Boys Courtyard, be sure to stop and get some inspiration from our Australian Champions and their winning photos. These photos have once again been donated by the Old Boys to inspire those competing under the Burleigh banner.

Our traditional Easter Keg was a great success, this season honouring Chris Raymond, Justin Payne and Davin Keeble. Families, friends and a host of club mates joined us, past and present, some travelling from far distances and we thank you for your continued support of this day. It was filled with laughter and stories of the days gone by and once again feeling like the good old days hosting the event in the Boat Shed, where many an occasion has been celebrated over the years. Be sure to watch out on social media for the details of next year's event and let's make sure this fabulous tradition continues.

To all our patrol members, your dedication to the red and yellow flags ensuring that Burleigh Beach remains fatality free is very much appreciated. We would also like to congratulate all competitors from Nippers, through to Seniors and Masters for their training and another year of fantastic results this season and in particular at Aussies where Burleigh's caps were everywhere. We hope that the patrolling members, competitors and all other club members have enjoyed their season as much as the Old Boys have.

To Michael Boyce, Club President and the Management Committee, your hard work continues and we appreciate all that you do for the Club and its members, well done.

Matt Leis

Communications Officer Report

The Government Wireless Network (GWN) is a Queensland Government run mission critical radio network designed for use by Police, Fire, Ambulance and emergency service organisations.
The Queensland Government owns the equipment and is leased to agencies. Surf Life Saving Queensland is then responsible for the equipment and allocating radios to the **location** on an operational basis.

BHMP SLSC received 6 Motorola handsets and a 6 way charger on the 10 October 2024 and introduced them to our Patrols. We kept our existing radio equipment for Water Safety Activities.

We have been operating on GWN for the season and have had 5 problems, all have been dealt with by TELSTRA GWN SERVICE CENTRE by phone.

One lost radio, replaced and three faulty batteries on different occasions, all replaced in a timely manner at NO cost to the club.

Peter Whitty, Alby Sullivan, Shane Carroll, Georgia Mackay, Dan Carroll, Charlotte Cross, RohanDutton (stand-in Patrol Captain - Usually Chris Ells) Byron Layton

A BIG thank you to the captain, CTOs and patrol captains for their support in the training of members, operation and maintenance of ALL the club's comms equipment.

We are now dependent on Radiocoms and use them extensively patrolling Burleigh Beach and surrounds, plus for water safety for the nippers. Our superseded digital Icom handhelds are being used successfully for junior activities, Ocean Swim and contact between team members at certain Surf Life Saving Events.

LOUDHAILERS AND THEIR BATTERIES, need lots of attention and we are up to purchase another 'BLUEY' for the coming season.

'PATROL READY' for SATURDAY MORNING. PLEASE CHECK each other for best result.

With the Comms Officer completing the repairs, the major cost is the replacement of batteries, radio bags & clamps, All expensive.

Training new members is an ongoing task and by the end of the season, all good. SOONER would be better.

Looking forward to another season of 'Loud and Clear' radio comms.

Cheers

Russell Whitmore OAM,
Honorary Club Communications Officer

First Aid Report

The 2025/6 season has brought many challenges again this year as Burleigh has become an increasingly busy beach visited by many. Large numbers have come to experience the magic of Burleigh bringing a large diversity of cultures and visitors, many unfamiliar with the beach and its hazards.
We are often called upon to assist off the beach due to the increasing popularity of the walkways and surrounds which is challenging when we are responsible primarily for beach safety.
It would be remiss of me not to mention the brave actions of patrolling members early in the seasons when our year started with a tragic drowning. I believe this was a stark reminder to all that the ocean, whilst beautiful, can be a dangerous place. It heightened our awareness of the importance of checking and maintaining equipment and we successfully dealt with many first aid incidents across the rest of the season.

Once again, big surf, challenging conditions, closed beaches, scarping and debris laden waters have challenged our skills and I appreciate all for your commitment to providing excellent first aid at Burleigh. I thank you all for ensuring a well co ordinated and professional approach to the safety of beach goers. The mayhem, misadventures and miscellaneous are often unpredictable yet so well handled.
I am so proud to mention that last September at the STH Coast Branch Awards, Burleigh SLSC was awarded the Robin Dochi First Aid Award for the 2025/6 season, something we had not won for many seasons. This was a significant award indeed for our club.

Ruby Johnson, Cameron Buckley, Mana Utsada, Ella Crispe, Matthew Johnson, Jess Crispe, Christiaan Howes, John Parnaby (Patrol Captain), Mal Crispe (Patrol Vice Captain), Juozas Ziukelis, Mason Dunlop, Liam Crispe, Sam White, Sue Whatman, Joe Ziukelis

Congratulations to all who have attained their Advanced First Aid Award this season, it's a requirement for all patrols. I recommend this course as a way of maintaining our excellent reputation for care and diligence on our beach. You never know when these skills will save someone you know.

Enjoy the break and I look forward to season 2026/7.

Lyn Hammett

Supporters Club Report

The end of our financial year and it was an interesting one to say the least.

There were three main reasons for this. Firstly we were coming off the back of cyclone Alfred and we were still awaiting our insurance claim finalisation for both plant, equipment and loss of profits. Secondly the light rail continued construction in the Burleigh CBD and there was major disruption with closures of roads and traffic issues which ultimately caused patrons to stay away from Burleigh. Thirdly we commenced construction of our level four Club room in the month of July. The Club was wrapped up with construction fencing and scaffolding as a result of the redevelopment. There were no Hinterland or OV function rooms available and the Crab Pot was encased in hoarding as to was the lower level balcony of the restaurant. As a result the revenue for the year was down but we were still very profitable.

The Committee and Management knew that a challenge lay ahead and we continued to operate all areas of the Club and ensure the income streams continued. Once again we thank our manager Nick for steering the Club through these events and over the last 17 years. At the time of writing this report Nick has tendered his resignation as he wants to have a change in his life. Nick always lead from the front and was actively involved in the day-to-day operations of the Club. This approach has always resulted in profits that were made and which were donated to the Surf Club. I thank Nick for his dedication and commitment to the Club over this time and wish him all the best for the future. I also would like to thank all our duty managers who have played a role in the operations of the Club and all the staff in all areas.

Our function areas have so much to offer now as there's so many rooms available and we look forward to growth in this area. In this respect we are fortunate that we now have access to a newly refurbished level 3 poolside, Hinterland and OV function rooms. All these areas have been fully renovated and we now have at our disposal some fantastic rooms overlooking the Ocean and Hinterland which are available for a myriad of functions.

In addition we completed the extensions to the kitchen which resulted in an additional cold room and freezer.

The Club continues to receive rebates from its suppliers and they once again will be an excess of $504,000.

In addition to this our business partners continue to support all areas of the Club and we thank Lion Nathan, Oatley Wines, Asahi, Streets, PFD, Global, Britts and Coastal Fresh for their continued support.

This year the Surf Club received donations amounting to $2,001,350 and in addition to this monthly rental of $33,000 which totalled $366,000 for the year. In addition the Surf Club received food and beverages for patrols and functions which totalled in excess of $126,000.00.

Our Club will continue to grow as does the Gold Coast and we will ensure that all the commercial areas are available to Club members and the community so that we continue to receive a strong income which ultimately is provided to the Surf Club.

The Committee once again remained the same which promotes stability and ensured smooth operations and I thank all the Committee Members for their contributions over the year.

Michael Boyce

The Surf Club Burleigh Heads Manager's Report

2025/2026 has definitely been a challenging year for the Supporters Club due to the extensive renovations at our club.

Despite this, we have enjoyed a very busy year and hopefully continued to achieve strong results as always.

Unfortunately there has to be some pain to achieve our goals but I truly believe that with the facilities we will have once the renovations are complete, our Club will be the envy of every Club in Australia.

As you will all know the light rail has also been a major challenge, but once complete I feel certain this will be a major asset for our bottom line.

Looking ahead I can see so many positives for the Supporters Club and I am sure the coming years will see some fantastic results.

As always, I would like to thank Michael and all my committee for their continued support and trust as well as all my staff.

Nick Owens

Director of Finance & Property Report

Burleigh Heads-Mowbray Park Surf Life Saving Club recorded another outstanding financial result, achieving a surplus of **$1.944 million**, up from **$1.457 million** in 2025.
The Club's net assets increased to **$21.01 million**, reflecting strong operating performance, investment returns and significant progress on the Stage 6 Redevelopment project.

Financial Highlights

- **Total Revenue:** $3.894 million (up 24%)
- **Operating Surplus:** $1.944 million (up 33.5%)
- **Net Assets:** $21.011 million
- **Investment Portfolio:** $6.189 million
- **Operating Cash Flow:** $2.556 million
- **Total Liabilities:** $40,385

Revenue Drivers

Key revenue sources included:

- Supporters Club Donations: $2.001 million
- Interest Income: $415,692
- Rent & Outgoings: $416,054
- General Donations: $259,741
- Fundraising Activities: $319,129

The Club benefited from increased donations, sponsorship, fundraising income and strong investment returns.

Capital Investment

During the year, the Club invested heavily in infrastructure, with **$2.833 million** committed to the Stage 6 Redevelopment and Basement Project.
Property, plant and equipment increased from **$12.23 million** to **$14.62 million**.

Financial Position

The Club remains in a very strong financial position with:

- Minimal liabilities
- Strong cash generation
- Significant investment reserves
- No debt

Acknowledgement

The continued support of the Burleigh Heads-Mowbray Park Supporters Club remains vital, contributing over **$2.43 million** through donations, rent and outgoings during the year.

Outlook

The Club enters the 2026–27 financial year in a strong position, with the Stage 6 Redevelopment nearing completion and sufficient financial resources to continue investing in lifesaving services, facilities and member programs.

FINANCIAL REPORT FOR THE YEAR ENDED 30 APRIL 2026

BURLEIGH HEADS-MOWBRAY PARK SURF LIFE SAVING CLUB INC
ABN 30 933 975 671 IA 880 CP 1381
COMMITTEE'S REPORT

Your committee members present this financial report on the Burleigh Heads-Mowbray Park Surf Life Saving Club Inc for the financial year ended 30 April 2026.

Committee Members
The names of committee members elected at the AGM held on 29 June 2025 to the date of this report are:

President	Michael Boyce
Deputy President	Anthony Martin
Director of Administration & Planning	Rachael Bugeja
Director of Finance & Property	Kristina O'Connell
Director of Life Saving	Justin Payne
Director of Surf Sports	Christopher Walker
Director of Junior Activities	Bradley Birch
Director of Education and Training	Michael Slattery

The committee members have been in office since the AGM held on 29 June 2025 to the date of this report unless otherwise stated.

Principal Activities
The club is established solely for these objects which include the main benevolent purpose of relieving distress in the community by advancing the security and safety of the public through lifesaving activities and for the ancillary and/or incidental purposes to that main purpose which, as a charitable organisation, are to:

a) conduct, encourage, promote and administer surf lifesaving and the Club as a beneficial, volunteer, member-based, community service, charity and emergency service and for the safety and protection of the community in Burleigh and elsewhere;

b) at all times promote mutual trust and confidence within the Club in pursuit of these Objects;

c) promote the economic, community and emergency service success, strength and stability of the Club;

d) establish, grant and support awards in honourable public recognition of meritorious rescues from the sea, deeds of exceptional bravery from time to time performed in the course of promoting the health, safety and protection of the public;

Significant Changes
No significant change in the nature of these activities occurred during the year.

Operating Result
The surplus amounted to $1,944,876.82 (2025: surplus of $1,457,210.12). In the comparative financial year there was an increase in the asset revaluation reserve (property revaluations) of $738,723.99. The Charity is exempt from income tax (refer Note 1a). Further, it is endorsed by the Australian Taxation Office (ATO) as a Deductible Gift Recipient (DGR) and is endorsed as a Public Benevolent Institution (PBI) by the Australian Charities and Not-for-profits Commission.

The financial report was authorised for issue by the committee members on the same date as this report.

Signed in accordance with a resolution of the committee members.

Michael Boyce
President

Rachael Bugeja
Director of Administration & Planning

Dated this 16th day of June 2026

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2026

NOTE 1: SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION

Corporate Information

The financial report is for Burleigh Heads-Mowbray Park Surf Life Saving Club Inc as an individual entity, incorporated and domiciled in Australia. Burleigh Heads-Mowbray Park Surf Life Saving Club Inc is an association incorporated in Queensland under the *Associations Incorporation Act 1981* (Qld) and is a registered charity under the *Australian Charities and Not-for-Profits Commission Act 2012* (Cth).

Financial Reporting Framework

The committee members have prepared the financial statements on the basis that the Charity is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth). The Charity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Statement of Compliance

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) and the material accounting policy information disclosed below, which the committee members have determined are appropriate to meet the needs of members. Such accounting policies are consistent with those of previous periods unless stated otherwise.

The Charity has concluded that the requirements set out in AASB 10: *Consolidated Financial Statements* and AASB 128: *Investments in Associates and Joint Ventures* are not applicable as the initial assessment on its interests in other entities indicated that it does not have any subsidiaries or joint ventures. Hence, the financial statements comply with all the recognition and measurement requirements in Australian Accounting Standards.

Basis of Preparation

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs unless otherwise stated. The following material accounting policy information, which is consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

The following material accounting policy information, which is consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

Accounting Policies

a. Income Tax

No provision for income tax has been raised as the Charity is exempt from income tax under Section 50-10 of the *Income Tax Assessment Act 1997* (Cth). Burleigh Heads-Mowbray Park Surf Life Saving Club Inc is a Public Benevolent Institution (PBI) and has been endorsed by the Australian Taxation Office to receive tax concessions. Further, Burleigh Heads-Mowbray Park Surf Life Saving Club Inc is endorsed as a Deductible Gift Recipient (DGR).

b. Economic Dependence

Burleigh Heads-Mowbray Park Surf Life Saving Club Inc is dependent on lease income and donations from the Burleigh Heads-Mowbray Park Surf Life Saving Club Supporter's Club Inc for funds used to meet it's financial commitments. At the date of this report the Charity has no reason to believe the Burleigh Heads-Mowbray Park Surf Life Saving Club Supporter's Club Inc will not continue to honour the lease agreement and support the Charity through donations.

c. Comparative Figures

When required by these accounting policies and/or the applied accounting standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year. When required, comparative information is reclassified where appropriate to enhance comparability.

NOTE 1: SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION

d. Critical Accounting Estimates and Judgments

The Charity evaluates estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Charity.

Key estimates

The Charity's freehold property was revalued as of 30 April 2025 by Brosnan Valuations. The Charity adopted the estimated '*market values for accounting and audit puposes*' assessed by the valuer.

The estimate of the useful life of leasehold improvements, plant and equipment is reviewed at least annually to confirm that the remaining life of material assets is reflected on the asset register. There were no other critical accounting estimates to be considered by the Charity during the year or during preparation of this financial report.

Key judgments

The methods of depreciation are used to provide a consistent usage of the useful life of leasehold improvements, plant and equipment. The methods also allow, where required, for the leasehold improvements, plant and equipment to be fully written down at a specific point in time such as the end of the lease term. There were no other critical accounting judgments made by the Charity.

e. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the Statement of Financial Position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

f. Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers. All revenue is stated net of the amount of goods and services tax (GST).

Grant revenue is recognised in the Statement of Profit or Loss and Other Comprehensive Income when the Charity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the Charity and the amount of the grant can be measured reliably.

Donations and bequests are recognised as revenue when received unless they are designated for a specific purpose, where they are carried forward as prepaid income on the Statement of Financial Position.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

g. Contributions

If and when Burleigh Heads-Mowbray Park Surf Life Saving Club Inc receives non-reciprocal contributions from the government or other parties for nothing or a nominal value the contributions would be recognised at the fair value on the date of acquisition upon which time an asset is taken up in the Statement of Financial Position and revenue in the Statement of Profit or Loss and Other Comprehensive Income.

NOTE 1: SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION

h. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, and other short-term highly liquid investments with original maturities of twelve months or less.

i. Inventories

Inventories are measured at the lower of cost and net realisable value.

j. Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, accumulated depreciation and impairment losses.

Freehold property

Freehold property is shown at its fair value based on periodic valuations by Brosnan Valuations. In periods when the freehold property is not subject to an independent valuation, the Charity conducts valuations to ensure the carrying amount for the property is not materially different to the fair value.

Increases in the carrying amount arising on revaluation of property are recognised in other comprehensive income and accumulated in the revaluation surplus in Charity's Funds. Revaluation decreases that offset previous increases of property shall be recognised in other comprehensive income under the heading of revaluation surplus. All other decreases are recognised in revenue and expenses with the Staement of Profit or Loss and Other Comprehensive Income.

Leasehold improvements, plant and equipment

Leasehold improvements, plant and equipment are measured on the cost basis less depreciation and impairment losses.

In the event the carrying amount of leasehold improvements, plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1o for details of impairment).

Leasehold improvements, plant and equipment that have been contributed at no cost, or for nominal cost, are valued at the fair value of the asset at the date it is acquired.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Charity and the cost of the item can be measured reliably. All other costs are classified as repairs and maintenance and are charged to the Statement of Profit or Loss and Other Comprehensive Income during the financial period in which they are incurred.

Depreciation

The depreciable amount of all fixed assets including leasehold improvements are depreciated over their useful lives to the Charity using the rate and methodology disclosed in the table below commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Class of Fixed Asset	***Depreciation Rate***	***Methodology***
Freehold property at valuation	2.50%	Straight-line (Prime cost)
Leasehold improvements at cost	2.50% - 25.00%	Straight-line (Prime cost)
Motor vehicles at cost	16.67% - 25.00%	Straight-line (Prime cost)
Plant and equipment at cost	12.50% - 40.00%	Straight-line (Prime cost)
Fixtures and fittings at cost	2.50% - 40.00%	Straight-line (Prime cost)
Gear and equipment at cost	10.00% - 50.00%	Straight-line (Prime cost)

NOTE 1: SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION

j. Property, Plant and Equipment (continued)

The assets' residual values and useful lives are reviewed, and adjusted, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the Statement of Profit or Loss and Other Comprehensive Income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained surplus.

k. Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the Charity during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within thirty days of recognition of the liability.

l. Employee Benefits

Retirement benefit obligations - superannuation benefits

All employees of the Charity receive defined contribution superannuation entitlements, for which the Charity pays the fixed superannuation guarantee contribution (currently 12.0%) to the employee's superannuation fund of choice. All obligations for unpaid superannuation guarantee contributions are measured at the (undiscounted) amounts expected to be paid when the obligation is settled and are presented as trade and other payables under current liabilities in the Statement of Financial Position.

Short-term employee benefits

Provision is made for the Charity's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within twelve months after the end of the annual reporting period in which the employees render the related service, including wages, salaries, annual leave and long service leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled. The Charity's obligations for short-term employee benefits are presented as trade and other payables under current liabilities in the Statement of Financial Position.

Long-term employee benefits

The Charity only classifies employees' long service leave entitlements as long-term employee benefits as they are not expected to be settled wholly within twelve months after the end of the annual reporting period in which the employees render the related service. Provision is made for the Charity's obligation for long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The Charity's obligations for long-term employee benefits are presented as provisions under non-current liabilities in its Statement of Financial Position, except where the Charity does not have an unconditional right to defer settlement for at least twelve months after the end of the reporting period, in which case the obligations are presented as trade and other payables under current liabilities in the Statement of Financial Position.

m. Provisions

Provisions are recognised when the Charity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

n. Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight-line basis over the lease term.

NOTE 1: SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION

o. Impairment of Assets

At the end of each reporting period, the Charity assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the Charity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

The Charity found no indication that any asset had been impaired.

p. Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Charity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Charity commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted). Financial instruments are initially measured at fair value plus transactions costs except where the instrument is classified "at fair value through profit or loss" in which case transaction costs are expensed to profit or loss immediately.

Classification and subsequent measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest method, or cost. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.

Financial liabilities

Non-derivative financial liabilities other than financial guarantees are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial liability is derecognised.

Impairment

At the end of each reporting period, the Charity assesses whether there is objective evidence that a financial asset has been impaired. A financial asset or a group of financial assets is deemed to be impaired if, and only if, there is objective evidence that impairment as a result of one or more events (a "loss event") has occurred, which has an impact on the estimated future cash flows of the financial asset/s.

a. Capital Commitments

The Charity has not entered into any contracts in relation to capital expenditure at the date of this report.

The Charity has entered into a contract for the following capital expenditure item:

Stage 6 redevelopment (*contract signed 23 May 2025*)	150,000.00	2,420,000.00
Surf boat (*balance*)	20,000.00	-
	170,000.00	**2,420,000.00**

The stage 6 redevelopment is expected to be completed within the 2026-27 financial year.

b. Finance Lease Agreements

The Charity has not entered into any finance lease agreements at the date of this report.

c. Hire Purchase / Equipment Loan / Chattel Mortgage Agreements

The Charity has not entered into any hire purchase or chattel mortgage agreements at the date of this report.

d. Operating Lease Commitments

The Charity has a lease for the property at 53 Goodwin Terrace, Burleigh Heads, Queensland. The operating lease which is not capitalised in the financial statements commenced on 01 August 2020 for a term of ten years. The annual rent on the leased property is determined by the City of Gold Coast and calculated on the annual liquor purchases by the tenant, Burleigh Heads-Mowbray Park Surf Life Saving Club Supporter's Club Inc. Therefore, future lease costs cannot be accurately determined.

NOTE 13: CHARITY DETAILS

The registered office and principal place of business of the Charity is:

Burleigh Heads-Mowbray Park Surf Life Saving Club Inc
53 Goodwin Terrace, BURLEIGH HEADS QLD 4220

	Note	2026 $	2025 $

NOTE 14: KEY MANAGEMENT PERSONNEL COMPENSATION

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the Charity, directly or indirectly, including any committee member (whether executive or otherwise) of the Charity is considered key management personnel (KMP).

No amounts were paid to KMP's during the year for remuneration, goods and/or services.

No KMP has entered into a material contract with the Charity since the end of the previous financial year. Further, KMP's may obtain membership and may also obtain other services and benefits from the Charity on terms and conditions no more favourable than those available to other members and, if so, were immaterial.

NOTE 15: RELATED PARTY TRANSACTIONS

Other related parties include close family members of KMP's and entities that are controlled or jointly controlled by those KMP's individually or collectively with their close family members.

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other persons unless otherwise stated.

Amounts invested by the Charity with a related party of a KMP during the year. The investments are secured by 'first mortgages' over real property with a fixed income stream payable to the Charity on a monthly basis.	699,000.00	1,440,000.00
Amounts paid by the Charity to Burleigh Heads-Mowbray Park Surf Life Saving Club Supporter's Club Inc during the year for goods/services	54,585.50	38,001.24
Amounts received by the Charity from Burleigh Heads-Mowbray Park Surf Life Saving Club Supporter's Club Inc during the year for rent and outgoings including GST	429,000.00	396,000.00
Amounts received by the Charity from Burleigh Heads-Mowbray Park Surf Life Saving Club Supporter's Club Inc during the year for donations	2,001,350.00	1,802,000.00

NOTE 16: HUMAN RESOURCES

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report of Burleigh Heads-Mowbray Park Surf Life Saving Club Inc (the Charity), which comprises the Statement of Financial Position as at 30 April 2026 and the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Charity's Funds and Statement of Cash Flows for the year ended, notes comprising a summary of the material accounting policy information and other explanatory information and the Declaration by Members of the Committee.

In our opinion, the accompanying financial report of Burleigh Heads-Mowbray Park Surf Life Saving Club Inc is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) including:

i. giving a true and fair view of the Charity's financial position as at 30 April 2026 and of its financial performance for the year then ended; and

ii. complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013* (Cth).

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the ***Auditor's Responsibilities for the Audit of the Financial Report*** section of our report. We are independent of the Charity in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (*including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Our opinion is not modified in respect to the following matters:

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Charity's financial reporting responsibilities under the *Australian Charities and Not-for-profits Commission Act 2012* (Cth). As a result, the financial report may not be suitable for another purpose.

Information Other than the Financial Report and Auditor's Report Thereon

The Committee of the Charity is responsible for the other information. The other information comprises the information included in the Charity's annual report for the year ended 30 April 2026, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Committee for the Financial Report

The Committee of the Charity is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (Cth) and is appropriate to meet the needs of the members.

The Committee's responsibility also includes such internal control as the Committee Members determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the ability of the Charity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

● Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Charity's internal control.

● Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.

● Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

● Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

● Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Charity to cease to continue as a going concern.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
